- 1. The Raducz (9 52/P 54) troop training grounds was located in the Raducz-Nowy Dwor/Maz Stara have area. It had been established prior to World War I and was used especially as an artillery range prior to 1939. Frior to December 1950, source frequently heard artillery fire from the direction of the troop training grounds.
- A barracks installation was located in Nowy Dwor at the troop training grounds, In 1946, it was last seen by source who had been quartered there prior to World War II.
- 3. An ethnic German of the 1929 class, who was inducted into the Polish Army in the fall of 1950 and discharged in January 1951 in order to be repatriated, had the military address Jed. Tojsk. 1949, Nowy Dwor/Mazowiecki (2 52/F 54). Source learned from the parents of this soldier that he served with a construction unit of the air force.
